Every Wedge Issue pizza is prepared fresh; we never pre-open bases. During busy periods your order may take longer than usual and we ask for your patience. We will not compromise on our food.

Wedge Issue is committed to environmentally sustainable practices in our daily operations.

We source food from predominantly local purveyors using as many sustainable, organic, humane and environmentally friendly ingredients as possible.

Vegetarians, please be aware that parmesan cheese is not vegetarian friendly, Please let us know if you would like a parmesan substitute.

All of our paper goods, coffee supplies and take-out materials are 100% compostable.

Although the utmost care is taken, nuts are used in our kitchen. For allergen information on any item, please speak with your server.

A discretionary 12% service charge will be added to each bill. All service charges go to the wait and kitchen staff.
